DESCRIPTION:

Founded in 1856, Cousiño Macul is the only winery amongst those established during the nineteenth century that continues in the hands of the founding family, who controls 100% ownership of the company. We are a company with tradition, character and identity. For years we have been concerned about being leaders in wine production, always bearing in mind our values, our history and the excellence of our wines. "Our mission is to produce world-class wines that are unmistakably Chilean, with character that expresses the unique taste of the Maipo Valley", Carlos Cousiño, Chairman of Cousiño Macul.

TASTING NOTES:

Of a green yellowish, clean and bright color. Aromas that remind us to fresh pineapple, grapefruit and apricot; after a while we also can perceive chamomile and floral notes. In mouth, it presents very rich acidity, a sweet feeling even-though it is a dry wine, the grapefruit and apricot notes are confirmed giving way to a very enjoyable experience and long mouthfeel.
