DESCRIPTION:

The Mascarello wines are characterized by remarkable personality, intense bouquet, great smooth tannins, and outstanding possibilities of evolution and resistance over time. The members of the Giuseppe Mascarello family have been growing wines for more than a century and a half, first as farmers running the Manescotto estate in the village of La Morra for the marchesa Giulia Colbert Faletti di Barolo, and then on their own property since the late 1800s.

TASTING NOTES:

“One of Barolo’s most iconic bottling, this shows breeding and elegance despite the extreme heat of the vintage. A beautiful fragrance of red rose, violet and perfumed berry accompanies a whiff of cake spices. The silky palate delivers succulent wild cherry, licorice, white pepper and cinnamon impeccably balanced by supple tannins and fresh acidity.” - Kerin O’Keefe ~ 12/31/2014
