DESCRIPTION:

In Italy, Molinari stands for Sambuca. In the world, its name evokes the concept of “Made in Italy” and its premium quality standards. Back in 1945, in Civitavecchia, Angelo Molinari, an experienced and skilled ‘liquorista’, establishes the company and creates a first-class product, with an unmistakable flavour: ‘Sambuca Extra’.

TASTING NOTES:

“This is among the best of the Sambuca category. Look for sweet licorice and fennel aromatics, and bold anise flavor on the palate, which grows bolder and more rounded with repeated sips...” - Wine Enthusiast
