DESCRIPTION:

Casa Vinicola Natale Verga was founded by Enrico Verga in 1895. For four generations it has been handed down from father to son with the same values of tradition and quality. After more than a century of activity, Natale Verga Wine is trendy in the great distribution network across Italy with a vast range of wines. The export market continues to grow and Natale Verga wines are available in over 35 countries around the world.

TASTING NOTES:

“Vital, balanced, tangy. This organic Sicilian white is housed in recycled glass and its label printed on recycled paper. Expect a restrained wine; notes of beeswax, straw flowers, mineral and pine give way to marzipan, coriander, jasmine and hints of tangerine. The palate is tangy; crunchy white fruits, lemon balm, smoke and mineral flavours mirror the nose. It is a thoughtful white, rustic and symmetrical with impressive vitality.” April 11th, 2017
