DESCRIPTION:

COCKSPUR Rum has been making the party happen since 1884, when Valdemar Hanschell created the rum in Barbados; he later left the crafting of his beloved rum to the Stade Brothers at The West Indies Rum Distillery. The Brothers improved the rum-making process and mastered the complexities of the fermentation process by introducing the first continuous column still to Barbados. This revolutionary still allowed the Stade Brothers to consistently produce a flavourful, dry, crisp, and “clean” COCKSPUR Rum that many have come to know and love

TASTING NOTES:

SAN FRANCISCO - WORLD SPIRITS COMPETITION - DOUBLE GOLD This wonderful amber rum is the perfect marriage of smooth and sweet. COCKSPUR Fine Rum is a gently aged rum that starts off with a distinct brown sugar taste then develops into a smooth, round, buttery blend that leaves a warm, spicy oak taste on the palate. This versatile concoction is just what you need to start your next epic adventure.
