Beluga is a noble Russian Vodka that is famous worldwide. Thanks to its aristocratic origins and idyllic quality, Beluga has claimed its rightful place in the global culture of spirit satisfaction and consumption. To create Beluga the most of noble Russian Vodkas, we chose the Mariinsk Distillery. Established in 1900 in the heart of Siberia in one of the most environmentally clean and tranquil areas of Russia. Today, considered the nation-wide leader in the industry, thanks to its cutting-edge equipment and advanced quality control systems at every stage of production.

## **TASTING NOTES:**

**"A spectacular Russian spirit, Beluga Noble Vodka is made using barley malt spirit and very subtly flavoured with honey, oat and milk thistle extracts. It maintains the classic, crisp, clean character while managing to have a flavour profile." Masterofmalt.com**
